

Packing List

- 2 - Front wheel simulators
- 2 - Rear wheel simulators
- 2 - Front hub covers
- 2 - Rear hub covers
- 12 - Right hand stud extenders
- 12 - Right hand jam nuts
- 2 - Center hub logos
- 1 - Installation tool
- 1 - Removal tool

Note: This system can be installed with the installation tool provided. No other tools are necessary. Do not use power tools for installation. Phoenix™ recommends storing the tool with the vehicle's tire tool for future use.

1. Do not remove the original equipment lug nuts.
2. Determine correct placement stud extenders required for proper hand hole and valve stem alignment. The stud extenders placement should also properly align jam nut collar and centering lip on the liner mounting hole.
3. Install stud extender on the portion of the wheel studs that protrudes through the original equipment lug nut in positions shown in Fig 1 (use three (3) stud extenders per wheel position). Tighten stud extenders with included installation tool.
4. Install Wheel simulator over stud extenders. Install the jam nuts on the stud extenders. Use the included tool to tighten jam nuts.
5. To install hub cover, snap hub cover onto the jam nuts using a rubber mallet. (cylinders inside hub cover will snap onto notches on jam nut) Note: To remove hub covers use included removal tool.
6. Complete the wheel cover installation by applying hub center emblem.

Phoenix™ USA, Inc. Wheel Simulator Limited Warranty

Phoenix™ USA, Inc. warrants the stainless steel wheel simulators it markets to be free from manufacturing defects for a period of 3 years for stainless steel products and 1 year for abs plastic products from initial sale to the initial purchaser. Any potential claim should be initiated by contacting your local dealer or the warranty department at Phoenix™ USA, Inc. to request a Returned Goods Authorization number so that the defective item only can be returned to Phoenix™ USA, Inc. for inspection and evaluation. If it is determined that the part in question was, in fact, defective, the defective part will be replaced at no charge. Note: Phoenix™ USA, Inc. Stainless Steel Wheel Simulator products are protected under one or more of the following Patents: #4,932,724; #5,096,263; #5,193,884; #5,205,614; #5,205,616; #5,277,478; #5,286,093; #5,645,324; #5,669,672; #5,676,430; #5,695,257; #5,722,735; other patents pending.
