## **INSTALLATION INSTRUCTIONS**

Note: This system can be installed with the installation tool provided. No other tools are necessary. Do not use power tools for installation. Phoenix™ recommends storing the tool with the vehicle's tire tool for future use.

### **Assembly Drawings on Back**

1. Do not remove the original equipment lug nuts.
2. Determine correct placement of simulator for proper hand hole alignment.
3. Install liner over studs. Now, install the jam nuts on the studs. Use the included tool to tighten the jam nuts.
4. Install the jam nut covers over the jam nuts.
5. Complete the wheel cover installation by applying hub center emblem.
6. Repeat steps 2 through 6 for installation of the other wheel and axle covers.
7. Complete warranty card and mail.

#### **Phoenix USA, Inc. Wheel Simulator Limited Warranty**

Phoenix USA, Inc. warrants the stainless steel wheel simulators it markets to be free from manufacturing defects for a period of 3 years from initial sale to the initial purchaser. Any potential claim should be initiated by contacting the warranty department at Phoenix USA, Inc. to request a Returned Goods Authorization number so that the defective item only can be returned to Phoenix USA, Inc. for inspection and evaluation. If it is determined that the part in question was, in fact, defective, the defective part will be replaced at no charge. Note: Phoenix USA, Inc. Stainless Steel Wheel Simulator products are protected under one or more of the following Patents: #4,932,724; #5,096,263; #5,193,884; #5,205,614; #5,205,616; #5,277,478; #5,286,093; #5,645,324; #5,669,672; #5,676,430; #5,695,257; #5,722,735; other patents pending.
